

# ROSSI 200 SC

Active ingredient: Fipronil 200 g/ℓ

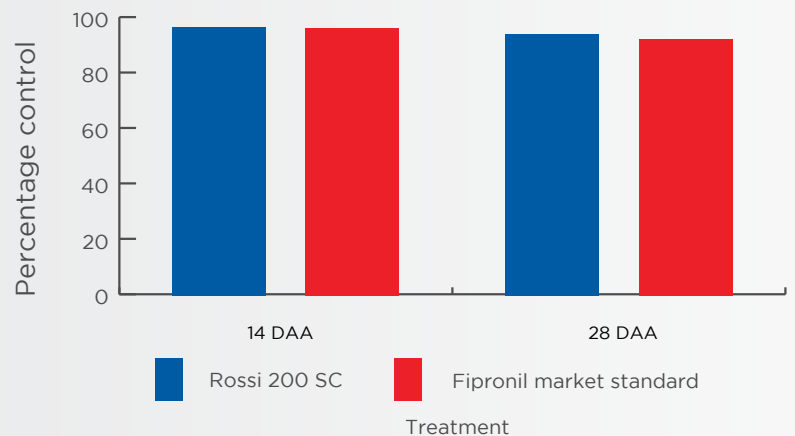

An emulsifiable concentrate residual contact acaricide for the control of thrips in citrus

INSECTICIDE

*Efficacy of ROSSI 200 SC compared to market standard.*

## Features

- Controls citrus thrips through both contact and ingestion
- Applications for thrip control will simultaneously control citrus aphids if present at the time of application
- ROSSI 200 SC has a strong knockdown effect on citrus thrips
- ROSSI 200 SC has a long residual effect
- Quick treatment made possible by applying light cover sprays

## Label recommendations

Apply ROSSI 200 SC at 10 ml per 100 ℓ water

## Do's and don'ts

- Apply early as a single, light cover spray
- Late applications may result in pest repercussions
- Should an outbreak of thrips occur later in the season apply an alternative registered insecticide

ALWAYS READ THE LABEL BEFORE USE
