WARNINGS

- Harmful if swallowed.
- May cause eye irritation.
- Store in a cool place, away from food, feeds, seed, fertilizers and other agricultural remedies.
- Keep out of reach of children, uninformed persons and animals.

Although this remedy has been extensively tested under a large variety of conditions, the registration holder does not warrant that it will be efficacious under all conditions, because the action and effect thereof may be affected by factors such as abnormal soil, climatic and storage conditions; quality of dilution water, compatibility with other substances not indicated on the label as well as by the method, time and accuracy of application. The registration holder further does not accept responsibility for damage to crops, vegetation, the environment or harm to man or animal or for lack of performance of the remedy concerned, due to failure of the user to follow the label instructions or to the occurrence of conditions, which could not have been foreseen in terms of the registration. Consult the supplier in event of any uncertainty.

PRECAUTIONS

- Do not inhale the spray mist.
- Avoid contact with skin, eyes and clothing.
- Wash with soap and water after use.
- In case of contact with eyes, flush with plenty of water and get medical attention.
- In case of contact with the skin, wash immediately with soap and plenty of water and remove contaminated clothes.
- Do not eat, drink or smoke whilst mixing or applying the product or before washing hands and face or change of clothing.
- Prevent drift onto other crops, grazing, rivers, dams or areas not under treatment.
- Clean the applicator after use and dispose of wash water where it will not contaminate food, grazing, rivers or dams.
- Destroy the empty container by perforation and flattening and dispose of it in a safe way.
- **Do not** re-use the empty container for any other purpose.
- Prevent contamination of food, feeds, drinking water and eating utensils.

DIRECTIONS FOR USE:

Use only as directed.

Read the label of this product carefully and use it in accordance with its label.

USE RESTRICTIONS

- Do not apply **DAZIDE ENHANCE**[®] in tank mixes with other chemicals.
- Treated plants may respond differently to **DAZIDE ENHANCE**[®] depending on the variety, stage of growth and physiological condition. Flowering may be delayed and/or flowers may be paler in colour under certain conditions.
- **Do not** apply to the chrysanthemum Fandango.
- **Do not** water plants for 24 hours following treatment.
- **Do not** allow excessive drift to cause over-dosing.
- **Do not** store in metal containers.
- Take excessive care when treating new varieties and only treat a small quantity at first, until safety is established.

APPLICATION INSTRUCTIONS

DAZIDE ENHANCE® is used to produce more compact and robust plants, with stronger stems and darker leaves. Best results are obtained by completely wetting the target part of the plant with a fine mist, up to the point of run-off.

Mixing Instructions

- Add the required amount of **DAZIDE ENHANCE®** to clean water and stir until completely dissolved. Use immediately.
- Use a compressed air or power sprayer, which must be thoroughly cleansed before and after use.

APPLICATION RATES

<i>Crop</i>	<i>Growth regulating activity</i>	<i>Application and Dosage rate</i>	<i>Remarks</i>
<u>Chrysanthemums</u>	For growth suppression	20g / 10 litres	Use only in greenhouses. Repeat applications as necessary to achieve required growth suppression.
<u>Marigolds, Petunias and Zinnias in greenhouses</u>	Vegetative growth control	20g / 10 litres	Apply during the cool part of the day to well watered but dry plants. Environmental temperatures and cultivar may influence the time of application and the number of applications to be performed.

PRODUCT WARRANTY CONDITIONS AND LIMITATION OF LIABILITY

Fine Agrochemicals Limited ("FINE") warrants that this Product conforms to the specifications indicated on this label. FINE disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for a particular purpose.

It is impossible to eliminate all risks associated with this Product. Plant injury, lack of performance, or other unintended consequences may result because of factors such as abnormal weather conditions, presence of other materials, the manner of application, use of the Product other than in strict accordance with this label's instructions or other factors, all of which are beyond the control of FINE or the seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer.

FINE's liability under this label shall be limited to the amount of the purchase price or, at the election of FINE, the free replacement of the Product. FINE disclaims any liability whatsoever for special, incidental or consequential damages resulting from the handling or use of this Product.
